First Peoples Community Federal Credit Union

New Branch Design Now Open in Bedford

CUMBERLAND, MD- First Peoples Community Federal Credit Union opened its first location with a new generational branch design in Bedford on Friday, September 30th, 2022. The branch is located at 10 Bedford Square Plaza, near the Bedford Walmart.

“We have all been anticipating the move and now we are finally in our “own(ed)” space. While we’ve had a presence for a few years, the new location demonstrates First Peoples’ commitment to the Bedford Community. I’m confident with our internal infrastructure and array of products, we will WOW our new members. While it’s a geographical area that has many choices for banking, they are somewhat unfamiliar with credit unions... and certainly have not experienced anything like First Peoples!” -Randy Olsen, Interim CEO of First Peoples.

To become a member at First Peoples CFCU, you may visit any current branch location or fill out a membership or loan application online at www.firstpeoples.com. First Peoples offers free home banking and mobile banking to its members and operates 27 Interactive Teller Machines (ITMs) at their branches, allowing for continued teller interaction.
