

LOCK IT FIRST

HIGHLIGHTS:

Rate is locked up to
90 days

Eligible for purchase
transactions only

Exercise a one-time float
down option prior to 10
days of closing

Available for primary
and secondary homes

Property must be under
contract 30 days prior to
rate expiration

With our Lock It First* rate lock guarantee, you can lock and secure your rate while you shop for a home you love. Your rate will remain protected even as the market interest rates fluctuate, giving you peace of mind. If rates go down, you can take advantage of our one-time float down option.

**Contact us today to learn more
about Lock It First!**

*The Lock It First rate lock guarantee is not available on all loan programs. Please consult your mortgage loan originator for more details and for eligible loan programs.

**Conforming loan limits only
