FP@HOME®
DIGITAL BANKING

GETTING STARTED: FIRST-TIME LOGIN

NOTE: In order to use FP@HOME®, you must have a valid email address on file.

1 **DESKTOP:** Open a web browser and go to *www.firstpeoples.com*
MOBILE APP: Open the First Peoples Community FCU mobile banking app
If your device doesn't automatically update the First Peoples Community FCU mobile banking app, the most up-to-date version of the app will need to be downloaded from the App Store® or Google Play™.

2 **DESKTOP:** Click on the **FP@HOME® LOGIN** button located in the top right corner
MOBILE APP: Proceed to the next step

3 Click on **Click here to register**

4 Select whether your account is personal or business, then fill in your social security number, account number and date of birth. Please note that if you are registering a business account, you will need the taxpayer ID number (SSN or EIN) associated with that business. Click **Continue**

5 Confirm your contact information. Click **Continue**
If the information is incorrect, please reach out to First Peoples to make changes before proceeding.

6 Create a Username and Password. Click **Continue**

7 Review your information and agree to the terms and conditions. Click **Confirm and Register**

8 At this point a verification email with a link will be sent out to the registered email address. Verify your email address by clicking the verification link

9 Now you have successfully verified your email address. Click **Return to login**

10 Enter the Username and Password you just created. Click **Sign in**

11 For your security, we need to send a PIN code to verify your identity. Select how you want to recieve your code: Email or SMS to your mobile phone

12 Enter PIN code and click **Submit**

13 Congratulations! You are now registered for FP@HOME®
