

First Peoples Community FCU Adds Drive-Thru Location

Downtown Cumberland location to feature an ITM and Express ATM lane

September 16, 2020

Cumberland, MD- First Peoples Community Federal Credit Union is happy to announce the completion of their newest standalone drive-thru location on Mechanic Street in Cumberland. The two-lane drive-thru will feature an ATM Express Lane and ITM lane.

“We have had this project on our radar for quite some time, but the recent business environment with COVID encouraged us to increase its priority. First Peoples ITMs have been a wonderful asset in allowing our members to continue live interaction with our tellers, while keeping everyone safe,” says First Peoples President/CEO, Mr. Stacey Bingaman. “By years end, we will have ITMs placed at all of our locations, thereby extending teller transaction hours across the board. If you have not tried the machines out yet, we encourage you to give it a go! We're confident you'll be pleasantly surprised with the ease of use.”

Interactive Teller Machines (ITMs) function as an ATM 24 hours a day, and also allow for videoconferencing to First Peoples tellers during business hours. All standard teller transactions can be done using the ITM function, including cashing/depositing checks, making loan payments, and requesting custom withdrawal amounts. ITM service hours are 7:00 AM – 6:00 PM Monday-Friday, and 8:00 AM – 1:00 PM on Saturday.

A grand-opening celebration will take place in the 4th quarter of 2020. For more details, visit us online at www.firstpeoples.com.
